supplyItemID	itemName	itemType	description	certificationID
SI001	Natural Cork Stopper	Cork	Natural Cork Stopper made from sustainably sourced or renewable cork materials.	C008
SI002	Synthetic Cork Plug	Cork	Synthetic Cork Plug made from sustainably sourced or renewable cork materials.	C004
SI003	Twist-Off Aluminum Cap	Screw Top	Twist-Off Aluminum Cap designed for secure sealing with reduced environmental impact.	C014
SI004	Recycled Paper Label	Label	Recycled Paper Label produced using eco-friendly inks and recyclable materials.	C014
SI005	Biodegradable Label Roll	Label	Biodegradable Label Roll produced using eco-friendly inks and recyclable materials.	C002
SI006	Glass Bottle Neck Seal	Others	Glass Bottle Neck Seal manufactured with sustainability-focused practices and materials.	C013
SI007	Compostable Label	Label	Compostable Label produced using eco-friendly inks and recyclable materials.	C004
SI008	Custom Printed Label	Label	Custom Printed Label produced using eco-friendly inks and recyclable materials.	C007
SI009	Organic Cork Stopper	Cork	Organic Cork Stopper made from sustainably sourced or renewable cork materials.	C005
SI010	UV-Protected Screw Cap	Screw Top	UV-Protected Screw Cap designed for secure sealing with reduced environmental impact.	C009
SI011	Heat Shrink Cap Sleeve	Screw Top	Heat Shrink Cap Sleeve designed for secure sealing with reduced environmental impact.	C003
SI012	Recyclable Tin Seal	Others	Recyclable Tin Seal manufactured with sustainability-focused practices and materials.	C004
SI013	Varnished Paper Label	Label	Varnished Paper Label produced using eco-friendly inks and recyclable materials.	C018
SI014	Adhesive-Free Bottle Tag	Label	Adhesive-Free Bottle Tag produced using eco-friendly inks and recyclable materials.	C003
SI015	Natural Fiber Cap	Screw Top	Natural Fiber Cap designed for secure sealing with reduced environmental impact.	C006
SI016	Matte Finish Label	Label	Matte Finish Label produced using eco-friendly inks and recyclable materials.	C016
SI017	Embossed Label Strip	Label	Embossed Label Strip produced using eco-friendly inks and recyclable materials.	C013
SI018	Laser-Etched Label	Label	Laser-Etched Label produced using eco-friendly inks and recyclable materials.	C006
SI019	Eco-Twist Bottle Cap	Screw Top	Eco-Twist Bottle Cap designed for secure sealing with reduced environmental impact.	C001
SI020	Wooden Wine Stopper	Cork	Wooden Wine Stopper made from sustainably sourced or renewable cork materials.	C010
SI021	Plant-Based Cork	Cork	Plant-Based Cork made from sustainably sourced or renewable cork materials.	C016
SI022	Stainless Steel Cap	Screw Top	Stainless Steel Cap designed for secure sealing with reduced environmental impact.	C007
SI023	Foil Neck Wrap	Label	Foil Neck Wrap produced using eco-friendly inks and recyclable materials.	C002
SI024	Vintage Style Label	Label	Vintage Style Label produced using eco-friendly inks and recyclable materials.	C002
SI025	Smart QR Label	Label	Smart QR Label produced using eco-friendly inks and recyclable materials.	C002
SI026	Resealable Cap	Screw Top	Resealable Cap designed for secure sealing with reduced environmental impact.	C016
SI027	Charcoal Printed Label	Label	Charcoal Printed Label produced using eco-friendly inks and recyclable materials.	C002
SI028	Minimalist Label	Label	Minimalist Label produced using eco-friendly inks and recyclable materials.	C003
SI029	Color-Coded Screw Cap	Screw Top	Color-Coded Screw Cap designed for secure sealing with reduced environmental impact.	C003
SI030	Soft Grip Wine Stopper	Cork	Soft Grip Wine Stopper made from sustainably sourced or renewable cork materials.	C019
